Friday, December 1, 2000

Trouble brings experience, and experience brings wisdom.

END OF THE WEEK WRAP-UP

A climate audit was conducted in the Elementary Department on Tuesday of this week by a staff team from Sunny Heights Elementary School of Warren Township. An ISD staff team (Suzi McGeath, Mike Jackson, Pam Lewis, Glenda Zmijewski, David Geeslin and Bob Kovatch) conducted an audit at Sunny Heights on Thursday. Results from Tuesday's audit at ISD will be shared with the staff and become part of the School Improvement Plan. More on that later.

- ❖ A comment on ISD from the Sunny Heights Principal – "We were very impressed with the dedication and care for students shown by your staff. It is a goal we have for our school."
- ❖ A climate audit is a form of risk-taking. It confirms what we are doing right and exposes where we need to improve. Congratulations to the student, parent and staff participants.
- ❖ A staff member at Connor Prairie Museum left a message at school saying how impressed she was with a recent ISD visiting group (Grade ?). "Great questions, attention and behavior...It was obvious that the teachers prepared them well."
- ❖ The main library was transformed this week into an "open book market." The decorations, book selection and volunteers were fantastic.
- ❖ If you are wondering about your own philosophy of education, check out the bulletin board outside David Geeslin's office (small one). Some of the staff have posted their philosophies. Again, an example of risk-taking in addition to being accountable for "walking the talk."
- ❖ Thirteen years of losses to Bethesda Christian School was avenged by the Middle School 7th and 8th grade Boys Basketball Team this week. Guess that the number thirteen (13) was our lucky number.
- ❖ 8th graders gathered at an Activity Period to discuss presenting some drama skits in December. Good Luck!
- ❖ As part of my Indiana Principal Leadership Academy (IPLA) affiliation, I am a member of the IPLA email service (listserv) where principals from all around Indiana can ask questions and obtain information. This week, one of my peers asked us for advice to deal with the news that his magnet school was closing saying his staff was having a hard time coping. He wanted to make sure he could help guarantee success and celebration this year. This made me a little embarrassed about feeling low about some situations at school. Let's remember to celebrate our school, students, community and ourselves. Let's realize how fortunate we *really* are. Thank you.

FIREBALLS AT WORK

Fireballs to Darryl Pfaff, HS Varsity Wrestling Coach, for initiating an ongoing "exchange program" with Northwest HS of Indianapolis. Since we have a small wrestling team, the two coaches have agreed to have several practices together. After practice activities will include the teams going out to eat together. On a side note: one of the Northwest wrestlers is Nick Lewis, son of ISD Principal's Secretary, Pam Lewis.

TODAY'S ACTIVITIES

8:15 C. Millard HE
8:50 Gallaudet Entrance Exam from 8:50 to 12:10 in Room 7111
9:00 S. Davis Testing
9:30 N. Kazyaki OAE
10:30 J. Abney ACR
1:00 B. Polstra ACR
B. Gantt ACR
2:30 R. Kikuchi OAE
M. Muckenfuss ACR
R. Noble ACR
4:30 HS Girls Basketball against Liberty Christian
HS Wrestling at Blind School Invitational
6:00 HS Boys Basketball at Tabernacle

Children's Museum from 9:00 to 2:00.
December 18 – 22 High School Exam Week

HOOSIERS HELPING HOOSIERS

Join other State of Indiana employees by
donating non-perishable food or toiletries to
needy Hoosiers. Donation bins are located in:

Alumni Hall (Outside the Mailroom)

*Willard Cafeteria (Outside the Secretary's
Office)*

Brown Cafeteria (Outside the Secretary's Office)

Items can be donated through December 8.

ANNOUNCEMENTS

Sports Update –

4th, 5th & 6th Grade Boys Basketball – Yesterday's game was a good lesson for all of us. The Middle School 4,5, and 6th Grade Boys lost a very good game to the Trinity Lutheran Team 32 to 26. In spite of a fabulous effort in offensive rebounds (38), we just couldn't get the ball inside the rim. I guess the ball was not being very cooperative with us this time. We also had an opportunity by stealing the ball 19 times, and we yet didn't convert all of those

opportunities by scoring. It was a much better game as we learned to pass the ball more often. We still look forward to playing many more good games with this kind of offense. We are very young team. A job well done, boys!

7th & 8th Boys Basketball Team - We beat Trinity Lutheran by 18 points. Our boys played very well and improved with a patient offensive control!!!! At the end of the First Quarter, we were down 4 points. We did catch up and went on to lead all the way!!!! Keep it up!! The final score was ISD 42 to Trinity's 24. Jon Mowl scored 19 points with 9 steals and 7 assists. Bradley Pollard had 9 points, 5 assists and 3 blocks. Stanley Mangold scored 5 points and had 4 rebounds. The team travel Kentucky Deaf School this weekend for their tournament. Good luck to our team!!

HS Girls Basketball - Covenant Christian 57 ISD 25 Our team started this game with a new and different attitude. As a result of this attitude, we played much better as a team and gave the other team a hard time earning their points. Our girls really played their hearts out against this talented team with many offensive weapons. Coach Kramer is really proud of the team. He says that the team is headed in right direction, and the season is still young. The current record is 0 - 4 Their next game is today against Liberty Christian.

News from the Assessment Center - The Outreach Department has been fortunate to have some part-time, temporary assistance from Christina Wood to assist in our evaluations of non-ISD students. Christina is also teaching ASL classes part-time and is helping with assessments on Tuesdays. She is helping until the position becomes filled.

In addition, the Outreach Department is still advertising and seeking applications for the Language Specialist position on the Assessment team. We hope to be interviewing for the position soon. In the meantime the assessment team has been exploring different ways to better serve ISD students and to continue to provide quality assessments on non-ISD students, who are deaf or hard of hearing in the state of Indiana.

As of December 1st, the audiologists will re-distribute their duties and make some changes to better serve students. This will include some office relocations. Linda Charlebois will work in G-11 (Alumni Hall) as her primary office. Her primary duties will be to serve ISD Middle School and High School students as well as students from the School for the Blind. Deb Liebrich will primarily serve ISD Preschool and Elementary students with her main office being in the Preschool Audiology Office. She will also continue to do hearing evaluations for some of the township schools and assist with very young children. Shannon Stafford will remain in the Assessment Center and focus on the non-ISD students who come for assessments for either consultative purposes or to possibly enroll at ISD. She will also continue to do hearing evaluations on babies and toddlers referred through First Steps. They will continue to function as a team and are happy to address your questions, concerns or suggestions.

ANNOUNCEMENTS

Sports Update

Our HS Wrestling Team recently received an invitation to attend the Zionsville Wrestling Meet next Saturday, December 9. The meet starts at 9am. The location is Zionsville High School, 1000 Mulberry Street, (317) 873-3355 At the intersection of 42nd and College, make a right and take College to 86th St.; make a left onto 86th. Follow 86th Street to Zionsville Rd, make a right. Take Zionsville Rd. for roughly 3 miles (the name of the street will change from Zionsville Rd. to Main St. and the pavement will change into brick) Continue on this road to Ash Street, make a left. Take Ash St. to Mulberry St., make a right. Take Mulberry St. and the school will be on the left; it is the 2nd School bldg.

HS Swim Team Results - The Girls & Boys Varsity Swim Team had their first meet against Broad Ripple on Thursday, November 30. Although our team was not victorious with a win, we did have many first and second place finishes. Mike Muckenfuss won a first place in the 50 and 100 freestyle; Emily Schultz scored a first in the 200 free. Stacia Greenberg scored a first place in the 100 breaststroke. Our 200-Medley Relay Team came in 2nd; Schultz, Anderson, Greenberg, and Burdine make up this team. The 200 Free Relay with Schultz, Anderson, Burdine, Dougherty placed first. Congratulations to the team with a job well done. Come support our meet on Tuesday at 4:30 at home against Cathedral.

HS Girls Basketball Team – Indiana 46

Liberty Christian 31

Finally! We won our first game in five tries with a solid offense and defense. Our offense did a good job in the first half with good movements without the ball that created some openings. Our defense was very aggressive in the second half by allowing the opponent to score only 11 points in the entire half. Way to go, girls! Our current record is 1 win and 4 losses. Our next game: is with Manual on December 5th.

HS Varsity Boys Basketball - ISD 59

Tabernacle 34

Prior to the game, Tabernacle had an average of 81 points per game. ISD's tough defense stints were superb, in despite of a cold performance in offense and 30% FG. Most of our easy shots were not going in the basket. We managed to use our spurt rally in second half. All of our players had well-balanced scores in our offense. Robert Haney had 18 points, 18 rebounds and 10 steals. Onye Davis scored 13 points, 10 rebounds and 7 steals; Bobby Polstra had 13 points and 3 steals. Jeff Stotts scored 6 points; Jim Hall had 5 points and 5 rebounds. Kevin Webster made 4 points, 3 rebounds and 2 steals. Our current record is 2 – 0.

JV Boys Basketball -

Tabernacle 39

ISD 34

The JV's first game of the season showed some surprises to the coaches. The boys really played aggressively. The boys took a one-point lead in the first quarter. Tabernacle took a 2-point lead into the break, 15-13. After facing a third quarter deficit of 20-32, the Orioles used a full-court press to trim down the deficit to 30-32. With less than two minutes left, we could not manage to steal our first victory due to too many fouls. However, the Orioles outscored Tabernacle in every minute of the last quarter. It was a hard-fought defeat, despite very poor

FG and FT percentages. JV Coach Bobby Jacobs was very pleased with the team's progress, but there still lots of room for improvement. Andy Choate scored 20 points with 8 steals and 5 blocks; Andy Barker had 3 points and 8 rebounds. Jonathan Reynolds made 6 points; Justin Reynolds scored 2 points with 4 rebounds. Anthony Mowl had 3 points. Our current record is 0 – 1.

MS Boys Basketball – The 7th & 8th grade basketball brought home the championship trophy from last weekend's Kentucky Invitational by beating Ohio, Kentucky and North Carolina. All of the boys played well!. Coach Sigafosse and the team want to thank the mothers and other fans for their support. The mothers' spirit helped bring home the championship. The scores of the three gamers were:

ISD 62	Kentucky 5
ISD 46	Ohio 7
ISD 53	North Carolina 30

The All-Stars were Jon Mowl, Bradley Pollard and Stanley Mangold. Congratulations to all of the players! The team's current record is seven wins and 2 losses. Their next game is on Tuesday against Morton Memorial.

Babies, Babies, Babies! The high school students will be involved in a program called "Baby, Think It Over", which is designed to simulate the responsibilities of having a child. The program discourages teen pregnancy. The program will start next Monday, November 20, and continue until December 6. Each week, the students will have the babies for 3-4 days so. Please be patient with the babies in your classrooms Tue, Friday and Monday until Dec. 6.

Technology News - For the month of November 2000, ISD received 62,312 web page hits from 5,933 users. Please remember that its possible that the same users are counted more than once, because they usually receive different "internet address" each time they log into their ISPs. When we purchase WebTrends software, technology staff will be able to further break down the hits into "departments". Outreach has asked the Technology Center to provide more detailed hit counts for their pages.

VIRUS ALERT - W32/ProLin@MM is an Internet worm that spreads via email. The email comes with an attachment named CREATIVE.EXE, which carries the icon of a Shockwave Media Player application. You may receive the email in this format:

Subject = A great Shockwave flash movie
 Body = Check out this new flash movie that I downloaded just
 now ... It's Great
 Bye
 Attachment = creative.exe

If you run CREATIVE.EXE, it finds and alters all .JPG and .ZIP files on your system and forwards a copy of itself to everyone in your email address book. Please do not run the attachment.

Announcements

New Meeting - A meeting entitled Parents as Employees is scheduled for today from 3:30 to 4:30 in the Multi-Purpose Room. Facilitators for the meeting will be Glenda Zmijewski and Diane Hazel-Jones. The topic will be how our roles are different than parents who do not work at ISD.

Dessert Auction - The Middle School Dessert Auction will be held in the Auditorium on Thursday, December 7 at 8:50 am. MS students and all ISD staff members are invited to attend. Proceeds will go to the playground renovation. Donations of desserts or money will be happily accepted.

Picture Retakes - The retakes will occur on December 14. More information will be provided soon as to the time and location for the retakes.

Visitor - Saul Gevarter, a Computer Literacy teacher from the Maryland School for the Deaf, will be at ISD today. G. Zmijewski will coordinate his visit to see how technology supports the curriculum.

Gift Bags Available - PTCO Gift Bags are still available. Stop in Diane Jone's office to purchase Holiday Gift Bags. Twenty-three (23) assorted sizes for \$20.00. Only 5 packages left!

Babies, Babies, Babies! The high school students will be involved in a program called "Baby, Think It Over", which is designed to simulate the responsibilities of having a child. The program discourages teen pregnancy. The program will start next Monday, November 20, and continue until December 6. Each week, the students will have the babies for 3-4 days so. Please be patient with the babies in your classrooms Tue, Friday and Monday until Dec. 6.

Upcoming Activity Periods

December 6	Jr. NAD Meeting in Vocational 8 th graders will meet in Scotty Zwicker's room.
December 13	MS/HS in Auditorium (Mrs. Olson's and Mrs. Whited Deaf Studies Classes will present Gallaudet/Clerc Celebration)
December 20	No Activity Period Due to Departments' Exam Schedules

Opportunities

NTID is sponsoring a Deaf Education Technology Conference entitled "Instructional Technology and Education of the Deaf: Supporting Learners, Kindergarten – College". The dates of the conference are June 25 – 29, 2001. More information on the conference can be obtained at <http://www.rit.edu/~techsym> or by contacting E. William Clymer at 716-475-6894 (v), 716-475-6704 (tty) or email at techsym@rit.edu. Two days of the workshop will focus on Using Technology to Support Learning, Measuring the Impact of Technology in Teaching/Learning Process, Using Technology to Support Student Transition to the Workplace and Online and Distance Learning. The final two days will provide hands-on workshops. NTID is also calling for papers to present at this conference. You can receive more information at <http://www.rit.edu/~techsym>.

*Experience is what allows us to make more mistakes,
only with more finesse! – Derwood Fincher*

Gallaudet To Begin Admitting Hearing Undergraduate Students

For the first time in Gallaudet University's 136-year history, hearing students will be admitted as full-time college students beginning in August 2001. This will be a trial program to measure the hearing students' impact on the undergraduate program. Up to two percent (2%) or six students of the freshman class will be hearing students. Officials from Gallaudet state that there have been many requests from hearing students to join Gallaudet as an undergraduate. Gallaudet currently has a program that allows visiting undergraduate students to enroll for a semester or more. Annually, this average about ten hearing students per year.

Astrid Goodstein, Executive Director of Enrollment at Gallaudet stated, "Under no circumstances will hearing students have special accommodations in any place on campus. Not in the classroom, not in the dorms, not in the register's office. They will be treated as equal to our deaf students." Ricky Taylor, a deaf student from Virginia working on his second bachelor degree and a masters, said, "I think the pilot program is a good way for the University to look into the opportunity of accepting hearing students. The student body will change for better because we'll learn from them and the world will be a better place because they will learn from us. In its own way, it will present a lot of challenge, but it will benefit the University and its students."

Jennifer Piroth, a hearing student from the University of Florida in Tampa, said, "Gallaudet offers the cultural immersion that I can't get anywhere else and in order to work with any population successfully, one has to get to know their culture."

The hearing students, who want to attend as undergraduates, must pass the ASLPI, submit SAT or ACT scores, send their high school transcripts and everything else a regular Gallaudet applicant does. (Summarized from *Silent News*, December 2000, Volume 32, Issue 12, pages 1 & 14.

Today's Events

Sports Update

HS Girls Basketball Manual 56 Indiana 37

We fought a tough battle trying to stay close to Manual for three quarters. Our plan was to overtake them in the fourth quarter, but ran out of gas in the middle of the last quarter. Don't give up Girls! Keep on trying! Our current record is 1 – 5; our next game is in the Clerc Classic on December 7.

MS Boys Basketball – Our team has won six straight games!! ISD defeated Morton Memorial by 14 points last night. The final score was ISD 40 to Morton Memorial's 26. Jon Mowl scored 17 points, 8 steals and 4 assists. Bradley Pollard scored 14 points and had 9 rebounds. Sammy Davis scored 6 points, 3 rebounds and 3 steals. The team's current record is 8 wins and 2 losses.

Spanish Speaker Needed - Any Spanish speakers out there? The Health Center would like to know if any ISD staff would be willing to be on call to lend their services in helping to contact Spanish-only speaking parents. This would primarily be if students were sick, injured or we needed to contact these parents with

important health information. If you are willing or would like more information please contact Deb at the Health Center at either ext. 279 or 409. Thanks so much!

Dessert Auction - The Middle School Dessert Auction will be held in the Auditorium on Thursday, December 7 at 8:50 am. MS students and all ISD staff members are invited to attend. Proceeds will go to the playground renovation. Donations of desserts or money will be happily accepted.

Picture Retakes – The retakes will occur on December 14. More information will be provided soon as to the time and location for the retakes.

Gift Bags Available - PTCO Gift Bags are still available. Stop in Diane Jone's office to purchase Holiday Gift Bags. Twenty-three (23) assorted sizes for \$20.00. Only 5 packages left!

Staff Working Off Campus

Teresa Huckleberry is off campus at a workshop today, Thursday and Friday. Jill Lestina is subbing for her.

Dan Stutler will be attending a RFP meeting at Lilly Endowment followed by a Distance Learning Coordinators' Meeting at Perry Meridian High School from 9:30 to 3:00.

Experience is what you got by not having it when you need it. - Anonymous

END OF THE WEEK UPDATE by Principal Kovatch

* What a great experience to see HS ASL students in a story-telling activity in the Elementary Department. The looks of interest on the elementary faces and pride on the high school faces were priceless!

* During this time of year we tend to reflect back on where we came from or what we have done and also to look ahead at what might be in our future. Two events led me to do that this week. While standing on the bus wishing our HS basketball teams and cheerleaders good luck at the Clrec Classic at MSSD, Washington, D.C., I mentioned to Mr. Bippus and Mr. Catt that not so long ago our athletic trips involved loooooong rides in our beloved yellow school busses, frosty windows, blankets, pillows, coolers full of life-sustaining snacks, frequent restroom stops and several driving hours. There we stood, wishing our athletes and coaches good luck as they took our charter-like school bus, with a built-in restroom, to the airport to fly to Washington D.C. for a tournament that included teams from all over the USA! I reflected upon where we came from, where we are now, and what might be in our future...who knows?! International competition? National tournaments to do away with mail-in or mythical champions? I remember Mr. Jacob Caskey telling me that one of his teams rode, standing up, in the back of a big pick up truck to the sectional game at Hinkle Fieldhouse, because all of the school's busses were full of students who went to the day-long tournament there. Times do change, don't they?

* Administrators were privy to an initial inservice introduction of assessment software called "ICAN" this past week. The software will include lesson plans, curriculum alignment, IEP goals, report cards, portfolio documentation, homework hotline, parent/student access, and a host of other items that presently teachers must obtain from several individual sources. This software is now available at the preschool and elementary levels, while middle school and high school versions are being developed. Our preschool and elementary staffs will soon receive information on this program with middle school and high school not far behind. Truly, the future is now!

* Best wishes for the insight, fortitude, strength, good health, creativity, and positive attitudes to continue your outstanding efforts and complete this first semester in fine fashion. Make the next two weeks the best ever! Thank you.

December 18 – 22 High School Exam Week

ANNOUNCEMENTS

Sports Update

HS Swimming – The boys placed 4th overall with 72 points and the girls placed 7th in Wednesday's Invitational at IUPUI. This was a great experience for our team to be involved in a highly competitive invitational held at the world-class IUPUI Natatorium. Mike Muckenfuss brought home two ribbons, 4th in the 100 free and 5th in the 50 yd. free. Great job, swimmers!

Mike Muckenfuss has broken his own school record recently in the 100 free with a new time of 58.93 sec.!!!

**SUPPORT ISD WITH AN

ISD HATS costs \$12.00
See Jeff King
Elementary School
Room #539

MS Boys Basketball – Seven straight wins!!!! The 7th & 8th Grade Boys defeated Mt. Carmel by 20 points! The final score was ISD 41 to Mt. Carmel 21. The team was down by 3 points in the first quarter; the boys came back to lead the remainder of the game! Good job!! Jon Mowl scored 12 points with 4 assists; Bradley Pollard had 12 points, 8 rebounds, 4 steals, and 4 assists. Clayton Anderson scored 6 points and had 3 steals. Sammy Davis and Joseph Pfaff each scored 4 points. Our current record is 9 wins and 2 losses.

After scoring our first two points against Mt. Carmel, the 5th and 6th Grade Boys Basketball Team 2 to 0 on a layup, the team realized that they were up against a tough team. Mt. Carmel scored many fast points and led the rest of the way to a victory. Mt. Carmel has a bunch of good ball-handlers and was able to squirm around on the court and passed very well. Our boys played very aggressively; otherwise, they would have scored more points. It was the first time that our team had three players foul out. So it was obviously a good effort by us. They had 24 free-throw opportunities. That taught us the importance of scoring points during free throws. It was always a good lesson for all of us. In spite of losing another game 36 to 23, we yet learned how to play at a higher skill level and have fun at the same time.

Clerc Classic Results – ISD Boys 47 Lexington SD (NY) 50
ISD Girls 42 Marie Katzenback SD (NJ) 40

A Sport Tip for the ISD Community – Be sure you see Mike Muckenfuss and Daniel Pfaff swim and wrestle before they graduate. The effort they put forth is very impressive!!

Athletic Boosters - If you are interesting paying \$1.00 or more to be a CSSD Booster, please see Rusty Crace. If you donate, your name will be on the CSSD Program. Thanks.

Christmas Wreaths – Cindy Brown, please contact Loretta Hammel about your wreath.

Science Teachers - Dick Ryan, Midwest Regional Manager for Science Kit and Boreal Laboratories, will be at ISD on Monday, December 11 with a batch of FREEBIES designed especially for science teachers. I'm not sure what time he will be here, but I plan to e-mail him and see if he can come at 3:00 so that all science teachers have the opportunity to ask him about any topic. – Glenda Zmijewski

Spanish Speaker Needed - Any Spanish speakers out there? The Health Center would like to know if any ISD staff would be willing to be on call to lend their services in helping to contact Spanish-only speaking

parents. This would primarily be if students were sick, injured or we needed to contact these parents with important health information. If you are willing or would like more information please contact Deb at the Health Center at either ext. 279 or 409. Thanks so much!

Picture Retakes – The retakes will occur on December 14. More information will be provided soon as to the time and location for the retakes.

Gift Bags Available - PTCO Gift Bags are still available. Stop in Diane Jone's office to purchase Holiday Gift Bags. Twenty-three (23) assorted sizes for \$20.00. Only 5 packages left!

Good, better, best; never let it rest till your food is better and your better is best. - Anonymous

From Our Superintendent

December 8, 2000

TO: All Staff
FROM: George M. Stailey, Superintendent
SUBJECT: Superintendent's Position

Recently, there have been many questions from employees about my resignation and when I will be leaving the position of superintendent.

To clarify the situation, it seemed appropriate to send information via the Daily Bulletin.

In July, I submitted my letter of resignation effective January 1, 2001. However, since July, it has become evident that the search for a new superintendent will take longer than six months.

Due to the extended time involved in the search, I have informed the ISD School Board that I will stay in the position until a replacement is found. It is anticipated that a new superintendent will be appointed prior to the opening of the 2001-2002 school year.

With that in mind, it appears that I will be in the position until at least July 2001. Should this information change, I will make sure that everyone is informed.

Best wishes to all of you for a wonderful and safe holiday season!

FIREBALLS AT WORK

FIREBALLS to Carol Keller, Jim Frenchik, Dan Stutler, Mary Alice Moon, and Donna Stutler for volunteering at a Sertoma fundraiser Saturday night. The Castleton Sertoma group has a rich history of donating necessities to the school. Thanks to those who helped out.

December 16	HS Wrestling at the City Meet (9:00)

Announcements

Sports Update – The HS swimmers wrapped up their 3rd meet this week with another loss. The Girls' score was Scecina 42 ISD 25 and the Boys' was Scecina 41 ISD 27. First place finishers were: Rachel Anderson in the 500 free; Stasia Greenberg in the 100 Breaststroke; Mike Muckenfuss in the 100 and 50 yard free; and Scottie Miller in the 100 Back. Our next meet is Tuesday, December 12 against Heritage Christian at 4:30 at home.

Results of the Clerc Classic

Indiana Boys Basketball Results: *First Round* ISD 47 - Lexington 50
We lost to a very good, young team. We could not manage to gain our confidence to put away the victory due to lack of mental toughness. They simply wanted more it than us and out rebounded us as we only had a total of 18 rebounds in the whole game.

Consolation Bracket Round ISD 68 CSD - Fremont 53
We finally built our confidence. Fremont is another good team. They have size and speed. We played a solid game.

Consolation Game ISD 60 - MSSD 29

It was a physical game although we were playing true basketball. Our defense was superb as we aggressively shut them down in the second half.

Robert Haney was named to the All-Tournament Team! Congratulations!!!! Overall the Clerc Classic Tournament at MSSD was great! It was a privilege to be there. Our school enjoyed watching the top schools from across the nation. Our current record is 4-1.

HS Girls Basketball Results Indiana 42 Marie Katzenbach 40

What a game for both teams to start the Clerc Classic with a hard fought game from start to end! Under one minute to go, Marie Katzenbach tied the game at 40. With Marie Katzenbach's ball possession under 30 seconds, our defense played real solid and forced a turnover with time running that led us to hit the game winning shot with only four seconds left. Way to go, Girls!

CSD (Fremont) 37 Indiana 24

The second round of Clerc Classic was a tough defensive game between two teams. Fremont did a real good job shutting out our offense in the second and third quarters by allowing us to score only 2 points. We exploded for 17 points in the fourth quarter, but this was not enough to overtake their lead. We shot only 15% the entire game.

Indiana 59 South Carolina 39

After shooting only 15% on the previous day against CSD (Fremont), our offense came back alive and scored the season high 59 points along with 25 steals and a very solid defense to capture the third place in the Clerc Classic. It was a very good classic for all of our girls by winning two out of three games. Keep it up, Girls! Our current record is 3 wins and 6 losses. Our next game is against Edinburgh on December 12th.

Eyeth – The 8th Graders will present their play on Deaf Folklore on Wednesday, December 13 at 7:00 pm in the Auditorium. Tickets are \$3 for people 12 years and older and \$1 for the others. They can be purchased from Melba Bippus, Cindy Squire or Wanda Kirby.

New Staff - Andrew Metz and the Business Department would like to congratulate and welcome two new employees to the Indiana School for the Deaf. They are Melinda "Missy" Betzold and Larry Billman. We are so proud to have such nice people in our family at ISD. Larry has been working at ISD since July of 1999, through Kforce as a temporary employee in the Purchasing Department. Larry's first official day was December 4, 2000, and has been hired to fill the position of Account Clerk 3 in the Accounting Department. Larry lives in Edinburgh, Indiana with his wife Patricia and has three grown children. Larry received his education through Purdue, Indiana Business College, Ivy Tech, IUPUI and American Institute of Banking and has been working in the accounting field since 1981. Larry's hobbies are woodworking and muzzle loading. *"Larry thank you for joining our team and good luck in your new position at ISD".*

Melinda "Missy" Betzold has been hired to become ISD's new Human Resource Director. Monday, December 11, 2000, will be her first official day. Missy has been working at ISD since August 2000 through Kforce as a temporary employee. She has worked in the Personnel and Payroll Departments. She is presently working as a payroll clerk. She has worked on several special projects for George Stailey and Andrew Metz throughout the last year. Missy is married to Jim Betzold and has three young boys, John, Jerry and James. Missy's hobbies are cooking and trying to keep up with her young boys. She has graduated from Ball State with a BS. Once again, *"we want to thank Missy for joining us and good luck in her new position at ISD".*

Ball State Participants - Today is the last day for the BSU participants to work in the classrooms. They will take the rest of the week off to study and take their finals. They will return to ISD on January 8th and be in their third rotation.

New Student - Kaleb Bennett-Vanover from the southside of Indianapolis will begin in Preschool today.

Current Student Enrollment - Preschool 36

December 18 - 22 Semester Exams

Announcements

Sports Update:

7th & 8th Grade Boys Basketball - Eight straight victories!!!!!! We defeated a tough 8th Grade boys' team last night at Edinburgh!! The final score was ISD 24 and Edinburgh 22. Edinburgh was led the game until in the fourth quarter. With about 1 minute left, we finally tied the game and then lead by two points. ISD boys played well under Edinburgh's defense!!!!!! Congratulations, boys!!! Jon Mowl scored 13 points, and Bradley Pollard scored 8 points.

HS Girls Basketball - Indiana 42 and Edinburgh 36

We struggled to find the some energy in the first half after three hard games in three days at the Clerc Classic. After being down by one point at half-time, we came out alive with our game faces on in the second half by playing aggressive defense and offense. Our current record is 4 - 6, and our next game is at Union-Dugger on December 14th.

DCC - The Deaf Concerns Council will meet on Thursday, December 14th from 3:15 to 4:00 in the Vocational Distance Learning Classroom.

Library News - Thanks to all of you for making this year's book fair a huge success. From the total sales of \$3,986.68, we earned a cash profit of \$897.00 (22.5%) in addition to \$199.00 in free books for a \$598.00 total amount of books taken from the book fair. In all, the profit we netted is \$1,694.00; this is highest we ever made in the 12 years that we have had the book fair. These proceeds will be used to purchase needed materials for the ISD libraries. Additionally, I would like to thank everyone who volunteered at the book fair. Altogether, they contributed approximately 175 hours of their time. Some of the Ball Staters under the supervision of Matt Arnold, made paper rockets in the dorm as part of the decorations for the book fair. Lastly, many thanks to the three Ball Staters, Ann Kraska, Katie Richey, Nicole Hamilton, and my assistant, Carissa Zmijewski, for their willingness to come in on Sunday evening, November 26th to get the book fair ready for business the next day. We hope everyone enjoyed the book fair, especially the decorations in the background, which coincided with the theme, "Space Station, READ."

Visitors - Five Covington High School students and 1 staff will be at ISD today visiting with the ISD students during lunch and will tour ISD. They plan to come to watch the play, "Eyeth", weather permitting.

Public Announcement

Town Hall Meeting - Come to the Greater Indianapolis Deaf Club on Saturday, December 16th from 1:00 - 4:00 to hear about the exciting new changes at Deaf Community Services. The clubhouse is located at 1917 E. 46th St. Everyone is welcome and the event is at no charge. Contact Cynthia Van Manen for more information at cvanmanen1@aol.com.

ISD Football

Our Varsity Football Team was selected as the #4 team in the nation. The category was the Top Ten Deaf Teams of Eleven-Men Football. Congratulations to the boys and coaches.

Robert Haney, Jr. received special honors as he was selected by the Silent News as Player of the Year. His record includes 155 carries for 1779 yards, 10.7 average, 147 tackles and 19 Touchdowns. He also broke the ISD record with 407 rushing yards in one game.

Announcements

Sports Update – The ISD Swimmers competed against Heritage Christian Tuesday evening. We were defeated, but many swimmers continue to improve their times and strokes. Mike Muckenfuss continues to remain undefeated in dual meets in the 50 & 100 freestyle. Our next meet is Thursday at home 4:30 against Chatard.

4th, 5th & 6th Grade Boys Basketball Team – The boys traveled to Edinburgh. When we arrived, we learned we had the choice of watching the 8th graders play or playing the 7th Grade teams ourselves. So, as we took on an older and bigger team, they took off on a big run of 18 to 0 by guarding us with a full-court press. By the half-time we had only scored 9 nine points to their 36. During the second half, we picked up our pace by playing a harder defense. We stopped their inside game and only allowed them 13 points. We scored another 9 points for a final score of 49 to 18. Our boys never gave up the fight even though they played against these big monsters. The team learned how to play a much faster game. That is a good sign of our new developed skills. Good job, boys!

Holiday Invitational Basketball - Saturday, December 16, 2000, Caskey Gym, Indiana School for the Deaf
1200 East 42 Street, Games start at 9 am until 6 pm. Admission : \$4.00 (Games all day) Hosted by the Greater Indianapolis Deaf Club Contact GIDC@aol.com for more information.

Holiday Cards Still Available - HEY..WE HAVE HOLIDAY CARDS LEFT TO SELL..IF YOU ARE INTERESTED IN BUYING THEM... PLEASE SEE EITHER CINDY PICKERING OR KEITH WESTHOELTER. IT COSTS \$6.00 A PACKAGE! THE SALE WILL END December 22ND AT NOON! HURRY AND GRAB YOUR HOLIDAY CARDS! THANK YOU FOR SUPPORTING JR NAD!!!! CINDY AND KEITH

Help Wanted - Do you have a child with a special need? Do you feel your experience with your child could help other families? The Indiana Parent Information Network has an opening for a 20 hour per week paid position as a "Parent Liaison". Contact Jane Scott at IPIN 317-257-8683, Ext. 32 to find out more about this opportunity

Passing - RICHARD T. OSGOOD, 56, Fishers, died December 12 at the hospital. He worked for the Behavior Corp. Previously, he was a traffic engineer for Keith & Schnars in Fort Lauderdale, Fla. Mr. Osgood was a member of the American Athletic Association of the Deaf and the Greater Indianapolis Deaf Club. Memorial service will be at 3 p.m., December 15 in Aaron-Reuben-Nelson Meridian Hills Mortuary, 1328 W. 86th St., Indpls. Survivors: wife Maureen Nanny Osgood; sons, Andy, Randy Osgood; stepdaughters Beth Ray, Joan Bippus; brothers Bradley, Gerald Osgood; three grandchildren. Editor's note: Joan is the wife of Brian Bippus. Memorial contributions may be made to the athletic department at the Indiana School for the Deaf (ISD-Athletics). Indianapolis Star, 12/13/00

Ball State Participant News - Dr. Azar Haddidan will be on sabbatical Spring Semester doing a research project at several Deaf schools in California and at ISD. Mary Alice Moon has graciously accepted to take her place for Second Semester and will lead the ISD/BSU Participant Program. She will be monitoring the participants and leading their speech practicum. Please welcome Mary Alice when you see her in the various classrooms observing the participants Second Semester.

Fireballs at Work

Fireballs to all ISD staff members who presented information at the last two PAC meetings (November and December). Positive responses have poured in from parents.

End of the Week Update by Bob Kovatch

This weeks events have been overshadowed by the news of two members of the ISD Community, one recognized in his prime, the other taken before his time.

Robert Haney came to ISD midway during his sophomore year. He was an immediate impact upon our athletic program. He has been a mainstay in three sports (football, basketball, track) ever since entering ISD. Often times during game it is obvious that he is the "cream of the crop." Opposing coaches often tell ISD coaching staff members that Robert is the best athlete they have seen all year. This week he was named Football Player of the Year by the Silent News. Roberts' accomplishment is an individual honor, but also one for his parents, school, teammates, coaches, school community and state. Congratulations.

Ricky Osgood died unexpectedly from a heart attack earlier this week. He was the husband of Maureen Osgood, Elementary Department Teachers' Aide, Step Father of J.V. Bippus, former ISD teacher and Beth Ray, ISD Residential Assistant, Father-In-Law to Brian Bippus, Athletic Director, family member to Aimee Bippus, Preschool Secretary and Melba Bippus, Dean of Student's Administrative Assistant. Since moving to Indianapolis from Florida, a few years ago, Ricky has been an assistant coach for several middle school teams and the consummate volunteer. He always had a motivated smile on his face and a good word for everyone. He will be greatly missed.

We can all take a lesson from Robert and Ricky – make the most of your talents, be positive, and contribute to the people around you. Your accomplishments will influence others and make the world a better place.

Today's Activities

Holiday Celebrations Around the World: Chanukah

Chanukah or Hanukkah is the Jewish Festival of Lights. It begins on the 25th day of month of Kislev (November/December. This year it begins on December 21 and ends on December 29.) to commemorate the victory of the Jews over the Hellenist Syrians in 165 BCE. The Maccabees following their victory entered the Holy Temple of Jerusalem, which had been defiled by the Syrian invaders. They cleansed it and dedicated it anew to the service of God. In memory of their victory, they celebrated the first Hanukkah. Hanukkah is Hebrew for dedication. The Talmud, the body of Jewish oral law, relates how the Judean heroes were making ready to rededicate the Temple and were unable to find enough undefiled oil to light the lamps. They finally find a small amount of oil, which normally would only last for one night. However, it lasted for eight nights until new oil could be obtained. This is the miracle commemorated by the Hanukkah lights.

Editor's Note

This year various holiday celebrations that are celebrated throughout the world will be highlighted in the *Daily Bulletin*.

The lights of the menorah are more than simply a reminder of ancient miracles; they are meant to provide inspiration and illumination in our contemporary lives. In a very sense, the Hanukkah miracles of old are re-enacted in our observation today. That is one reason Jews say in the second blessing "...Blessed are You...who wrought miracles for our ancestors, in those days, at this time."

Happy Chanukah

"...May This Festival of Lights bring Blessings upon you and All Your Loved Ones for Happiness, for Health and for Spiritual and Material Wealth, and May the Lights of Chanukah Usher in the Light of Moshiach and a Better World for All of Mankind." (Taken from the website – <http://www.his.com/~chabad/8days/index.htm>)

Holiday Celebrations Around the World: Diwali

In India, Diwali, also called Deepavali, is the Festival of Lights. It is celebrated with fervor and gaiety. The festival is celebrated by young and old, rich and poor throughout the country. The festival wards off darkness and welcomes the light into people's lives. It symbolizes the unity in diversity as every state celebrates the festival in its own way. The festival is a four-day event.

Groups express their happiness by lighting earthen diyas, decorating their houses, bursting firecrackers and inviting near and dear friends into their homes for a sumptuous feast. The lighting of lamps is a way of paying obeisance to god for attainment of health, wealth, knowledge, peace, valor and fame. The festival signifies the victory of good over evil.

Children awake at 3:00 am for a traditional bath in oil, don their festive attire and begin lighting firecrackers and sparklers. The boys compete against each other for the affection of the girls. One cannot imagine Diwali without fireworks. (Taken from the website – <http://indiaexpress.com/faith/festivals/dhistory.html>.)

 8:00-9:30 for High School Students
An Indianapolis family will visit preschool department and have lunch with the children.

December 22 Classes dismiss at 12:30 pm.

Announcements

Inclement Weather – TO ALL STAFF: The Indiana School for the Deaf and the Indiana School for the Blind have been authorized to close school **for students only** in the event of bad weather. ISD and ISB have to mutually agree to close both schools at the same time. ISD and ISB do not have the authority to close school for employees as that is at the discretion of the State Personnel Director.

Should ISD and ISB close for students, you will be able to see the closing announcements on Channels 8 and 13. The announcement will state that school is closed for students; employees need to report to work. If school is closed for students, it is each employee's decision as to whether they report to work or not. If you do not report, you will need to call in and use accrued time to cover the day unless the State Personnel Director has closed state offices. Should the state offices be closed, ISD will need essential staff to cover services for students still on campus. Essential staff includes employees that provide direct supervision of students and provide operating needs to the campus. In the past, when state offices were closed and employees came to work, they were paid double time for their hours of work. I am uncertain at this time if that practice is still in effect.

Employees with students enrolled at ISD are permitted to bring their children with them should school be closed for students.

Should you have any questions, please feel free to contact the superintendent's office.

Best wishes to all of you for a safe and joyous holiday season!

George M. Stailey
Superintendent

Upcoming Activity Periods

December 20 No Activity Period Due to Departments' Exam Schedules

Timers/Scorekeepers Needed for CSSD – Timekeepers and scorekeepers will be needed for the CSSD Tournament for Thursday, January 25th and Friday, January 26th from 8:00 a.m. – 3:00 p.m. Two timers are needed, one to keep time during the course of the game and another person to run the scoreboard and a scorekeeper to keep score on the books. If interested, please let Mike McGeath or Brian Bippus know. Our phone numbers are 920-6260 (Mike) and 920-6321 (Brian). We have one more spot left for Thursday and Friday nights and again all day Saturday.

Crazy Hearing aids and Ear molds Contest – Come to the preschool building to vote in our design contest! Students in speech-language therapy, preschool through high school, have designed wild and crazy hearing aids and ear molds. We've got cow aids, flowered aids, rainbow aids, and an ISD aid! Come to the preschool building to see all the student's creativity and vote for your favorites. The display will be up from Monday, December 18th through Friday, December 22.

Sports Game Rescheduled - The High School Girls Basketball game against Union Dugger from December 14th has been rescheduled to January 17, 2001 at 6:00 p.m. at Union Dugger.

No one is so generous as he who has nothing to give. – French Proverb

Holiday Celebrations Around the World: Kwanzaa

Kwanzaa is an African American and Pan-African holiday which celebrates family, community and culture. Celebrated from December 26 through January 1, its origins are in the first harvest celebrations of Africa from which it takes its name. In Swahili, Kwanzaa means “first fruits”. These celebrations are recorded in African history as far back as ancient Egypt and Nubia.

Kwanzaa is:

- ❑ A time of gathering of people to reaffirm the bonds between them;
- ❑ A time of special reverence for the creator and creation in thanks and respect for the blessings;
- ❑ A time for commemoration of the past in pursuit of its lessons and in honor of its models of human excellence of our ancestors;
- ❑ A time of recommitment to our highest cultural ideals in our ongoing effort to always bring forth the best of African cultural thought and practice; and
- ❑ A time of celebration of the Good, the good of life and of existence itself, the good of family, community and culture, the good of the awesome and the ordinary, in a word the good of the divine, natural and social.

People celebrating Kwanzaa are encouraged to focus on the Seven Principles:

1. Umoja – Unity
2. Kujichagulia – Self-Determination
3. Ujima – Collective Work and Responsibility
4. Ujamaa – Cooperative Economics
5. Nia – Purpose
6. Kuumba – Creativity
7. Imani – Faith

In the United States, Kwanzaa was established in 1966 by Dr. Maulana Karenga, professor and chair of the Department of Black Studies of California State University in Long Beach. It was founded as a cultural holiday. (Taken from the website – <http://officialkwanzaawebsite.org/origins1.html>.)

Sports Update – 10 straight victories!!!!!! ISD beat Calvary Lutheran by 33 points!! The scores were ISD 53 vs. Calvary Lutheran 20. Good job and keep it up!! The home games are 5 wins and 2 losses and away games are 7 wins and 0 lose. The current record is 12 wins and 2 lose. Jon Mowl scored 13 points, 4 steals and 7 assists. Marcus Terry scored 12 points and 8 rebounds and Joseph Pfaff and Stanley Mangold scored 6 points. Clayton Anderson, Sammy Davis, Bradley Bollard, and Ryan Bailey scored 4 points. The next home game is against Park Tudor on January 10th at ISD. Go Team!

The 7th and 8th grade Girls Basketball Team played against Calvary Lutheran last night. We were outmatched in both girls' heights and speed. Some of the girls were even taller than our Katie Lecher! However, we played better in the next three quarters and finished the game 12 – 48. Amanda Krieger and Terelle Webster made 4 points each and Micaela Paulone and Ashley Bailey earned 2 points each. Katie Lecher grabbed 5 rebounds. Our current record is 0 – 1. Our next game will be against St. John Lutheran (was originally scheduled for December 14th) at home (in Caskey) on Wednesday, January 10th at 4:30. – Coach Jay Krieger & Coach Suzanne Bono

Timers/Scorekeepers Needed for CSSD – Timekeepers and scorekeepers will be needed for the CSSD Tournament for Thursday, January 25th and Friday, January 26th from 8:00 a.m. – 3:00 p.m. Two timers are needed, one to keep time during the course of the game and another person to run the scoreboard and a scorekeeper to keep score on the books. If interested, please let Mike McGeath or Brian Bippus know. Our phone numbers are 920-6260 (Mike) and 920-6321 (Brian). We have one more spot left for Thursday and Friday nights and again all day Saturday.

Middle School Swim Team Practices – Middle School swimming will begin practices on Monday, January 8, 2001.

Male Assistant Needed for Middle School Swim Team – The Middle School Swim Team is seeking a male staff member who would be able to assist their team. See or call Nancy Caraboa if you are interested. Her extension is 298.

Hearing Aid Design Contest – Come to Preschool building and vote in our design contest! Students in speech-language therapy, Preschool through High School, have designed wild and crazy hearing aids and ear molds. We've got cow aids, flowered aids, rainbow aids and an ISD aid! Come to the Preschool building to see all the student's creativity and vote for your favorites. The display will be up from Monday, December 18th through Friday, December 22nd.

Generosity is not giving me that which I need more than you do, but it is giving me that which you need more than I do. – Kahlil Gibran

Holiday Celebrations Around the World: Ramadan

Ramadan, the Month of Fasting, is a special month of the year for over one billion Muslims throughout the world. It is a time for inner reflection, devotion to God, and self-control. Muslims think of it as a kind of tune-up for their spiritual lives. There are as many meanings of Ramadan as there are Muslims. Fasting is the third pillar of Islam and has many special benefits. The importance of this is learning self-control. Muslims fast from the break of day until sunset during Ramadan. Through this they find a measure of ascendancy to one's spiritual nature and become closer to God. It also shows sympathy for the less fortunate and an appreciation for God's bounties. It breaks the cycle of rigid habits and overindulgence.

Fasting is voluntary, but most Muslim feel obligated to follow the practice. Sick people, travelers and women under certain conditions are exempted from the fast but must make it up, as they are able. Fasting in Ramadan is the most widely practiced form of worship by Muslims.

The last ten days of Ramadan are a special time of spiritual power. Everyone tries to come closer to God through devotions and good deeds. Many Muslims break their fast each evening with dates following the custom of Prophet Muhammad. (Taken from the website – <http://www.colostate.edu/Orgs/MSA/events/Ramadan.html>.)
